1 XWK8603021 BasStation

1.1 BaseStation Internal Front & Back

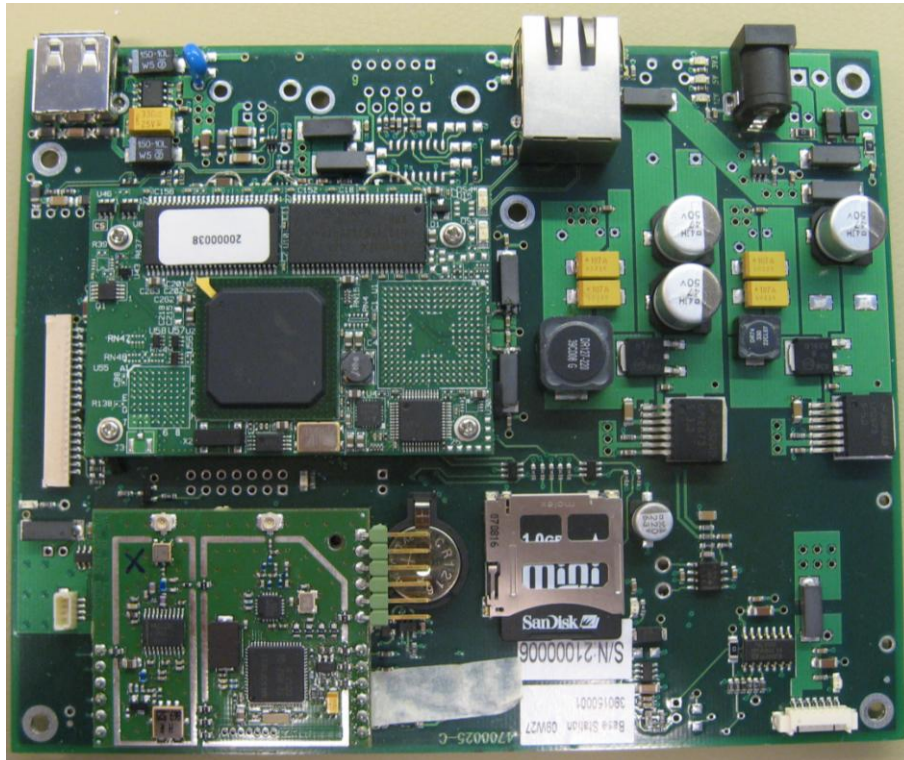

The left part (back) contains a shield box containing the main board.

The right part contains the LCD display (SHARP LQ104V1LG61) and the backlight inverter (TDK/Lambda CXA-PI212B-WJL). Both of these are bought as standard units.

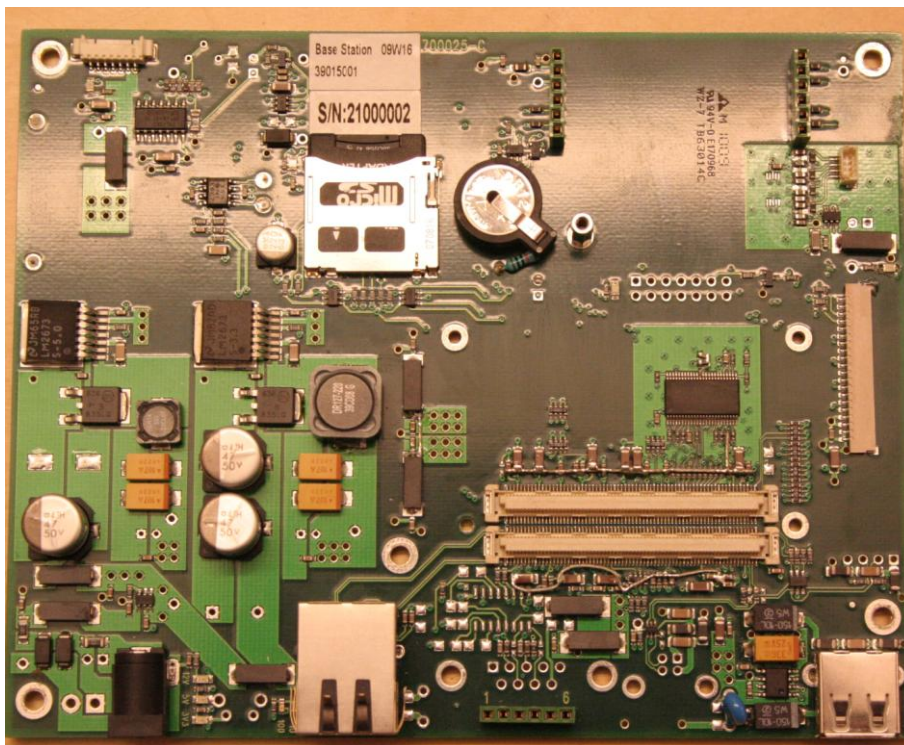

1.2 BaseStation Internal HW and shieldbox

1.3 BaseStation Internal HW Top

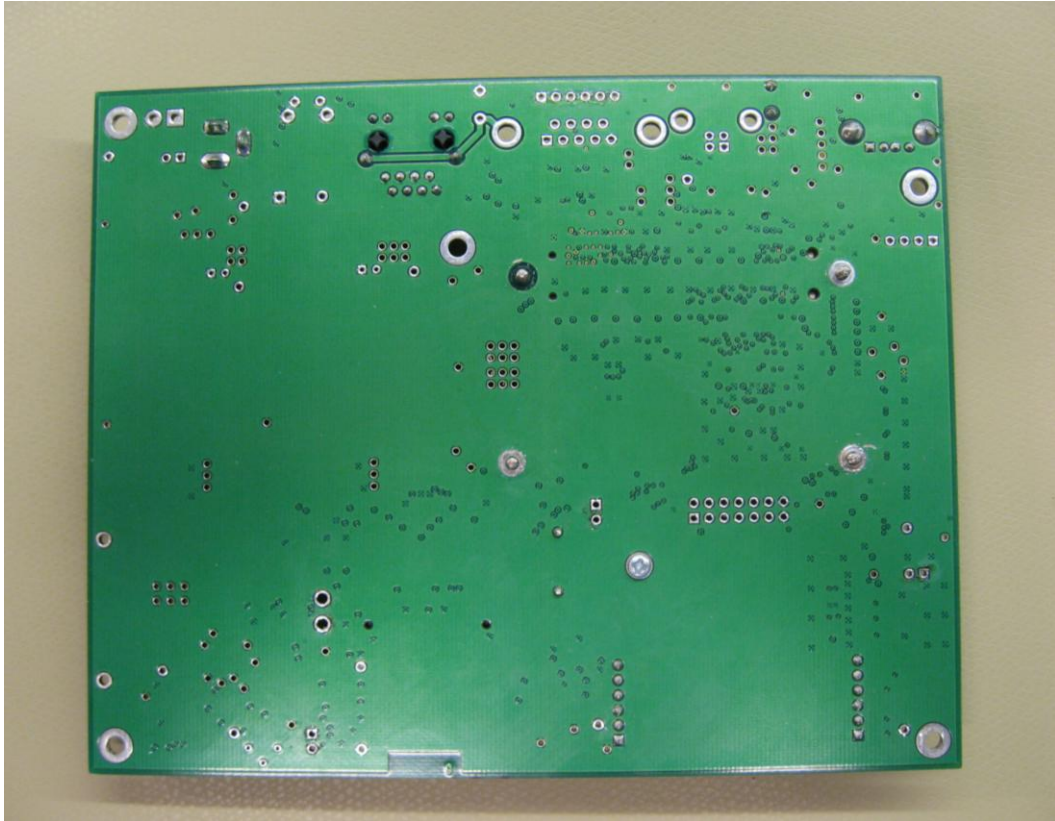

Main board top, with CPU and radio modules mounted

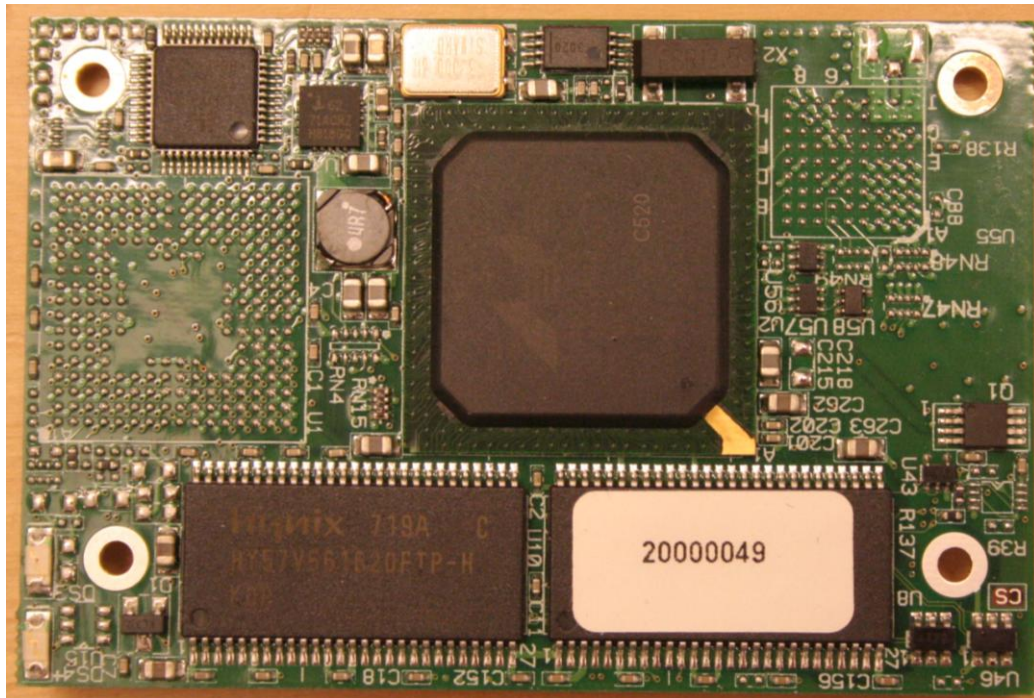

Main board top, without CPU and radio modules

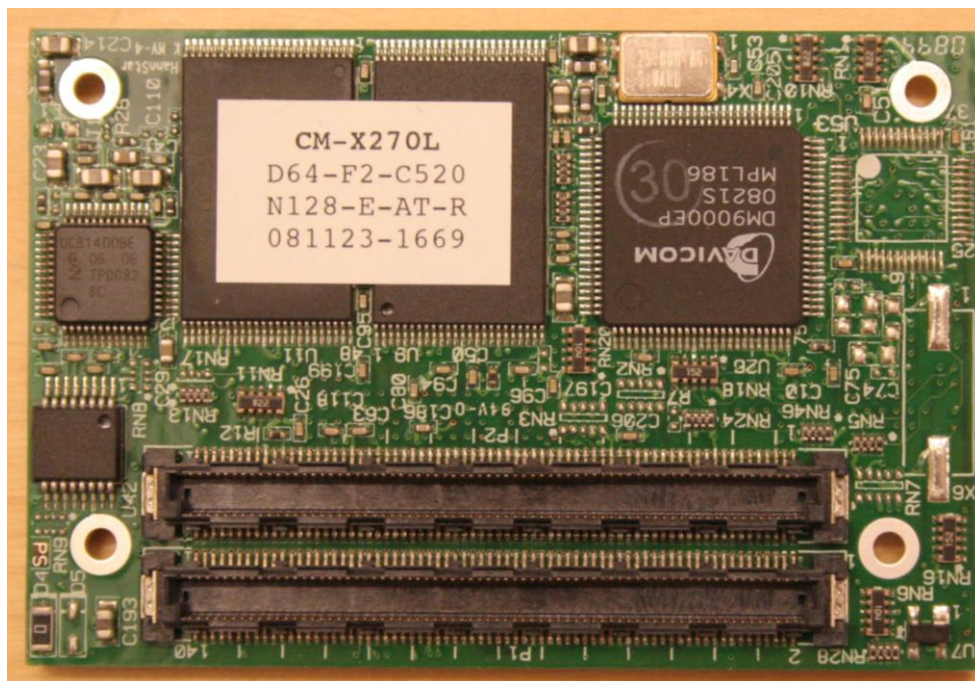

1.4 BaseStation Internal HW Bottom

1.5 BaseStation Internal CPU module

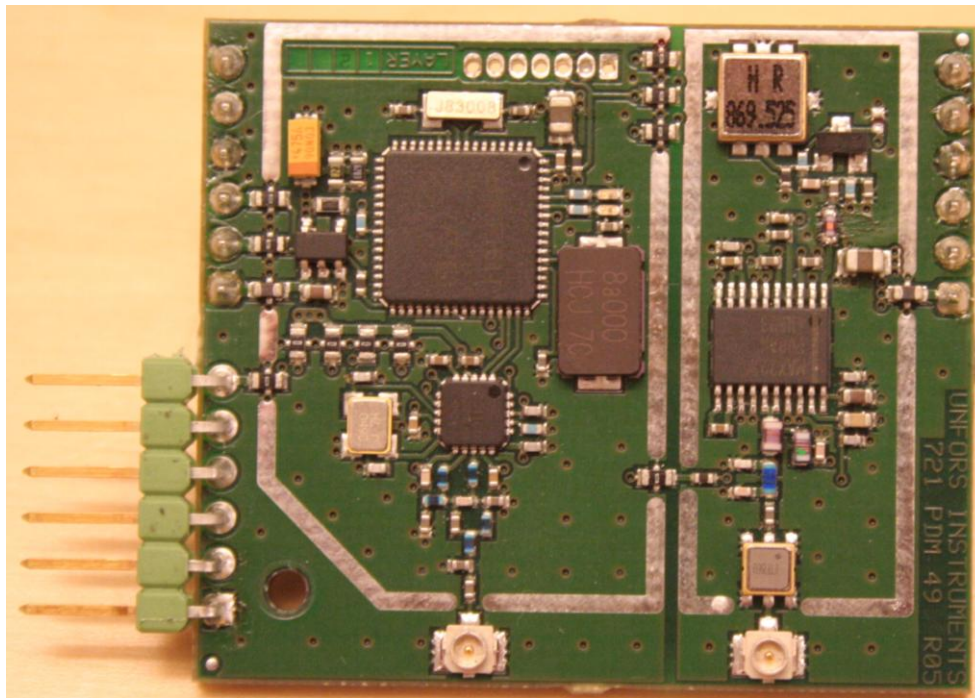

CPU Module, top side

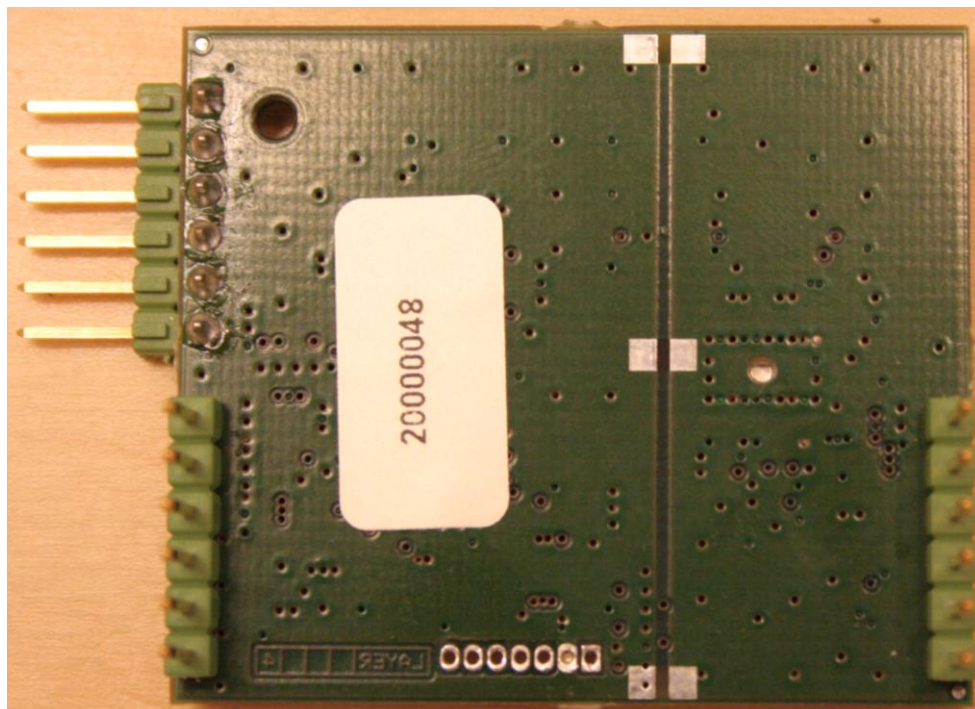

CPU Module, bottom side

1.6 BaseStation Internal radio module

Radio module top side

Radio module bottom side
